

# CENTRE FOR WIRELESS SYSTEM DESIGN ANNA UNIVERSITY

## Summer Internship Program 2024

Accelerate your  
learning and hone your  
skills @

### INTERNSHIP DOMAINS

- 5G WIRELESS COMMUNICATION
- SEMICONDUCTOR IC DESIGN & TESTING
- MACHINE LEARNING IN SYSTEM DESIGN
- WIRELESS TRANSCEIVER DESIGN
- NETWORK SECURITY
- PCB CAD TOOLS

**DURATION : 2 WEEKS / 4 WEEKS**

**ELIGIBILITY : B.E. /B.TECH students who  
have/ would have completed 4 Semesters  
in ECE at the time of application**

## About C-WiSD:

The Centre for Wireless System Design (C-WiSD), established as an autonomous centre of Anna University, at CEG Campus, aims to leverage the expertise available in the University in the areas of Baseband and Signal Processing, RF and Microwave Design, Hardware Design, Fabrication and Testing, and Machine Learning towards building Wireless Systems to cater to the needs of the society and the industry requirements. The centre envisions to grow as a knowledge hub that addresses the needs of upskilling the academic community in the domain of Wireless System Design and strive to be a benchmark in research, innovation, design, development, deployment and dissemination of knowledge in Wireless System Design through effective collaboration and good practices.

## Internship Details:

Mode	:	Hands-on Training (Theory & Practical Sessions)
Batch Size	:	40
Duration	:	2 Weeks ( 30 Hrs. Theory & 30 Hrs. Practicals ) 4 Weeks ( 30 Hrs. Theory & 30 Hrs. Practicals, 60 Hrs. Project )
Fee Details	:	Rs. 2360 /- (inclusive of GST) for 2 Weeks Internship Program Rs. 5900 /- (inclusive of GST) for 4 Weeks Internship Program
Tentative Dates	:	May / June / July 2024

Internship Certificates will be provided on successful completion of training.  
Selected Students undergoing 4 Weeks internship program may be given opportunity to carry out their Semester Project Work at the Centre, based on their performance.

## Conditions:

Interested students have to register for the internship using the google form link <https://forms.gle/AGAdSPNkafRHxuUE6> or the QR Code at the earliest.

The student has to upload college ID Card in the google form.

Payment must be made only after receiving confirmation mail.

Fee Payment can be done through UPI ID or QR Scanner mode

First batch will start once 40 students have registered in a particular domain and made payment.

Fees does not include Lunch.

No accommodation will be provided.
