## CIRCULAR

Asian Institute of Technology, Thailand invites to participate in the upcoming Webinar on the “**Capacity-Building PhD Program**” led by Dr. Roger Levermore, Dean of the AIT School of Management on Tuesday, 22<sup>nd</sup> December 2020 at 7:00 pm (ICT) Indochina Time.

This program provides human resource capacity development for those faculty and staff looking to upskill by completing a PhD. A new feature to the capacity building Doctoral programs is being offered via flexible online (hybrid) delivery where students can join live classes via video link. This limits the amount of time faculty and staff need to be away from the workplace in order to complete their Doctorate.

By attending this webinar, participants can learn more about:

- Doctoral (PhD / DBA) Programs
- The new Flexible Online Study with Hybrid Mode of Instruction feature
- Research Possibilities and Opportunities
- International Exposure that AIT provides

### **Webinar Registration:**
