

**Prof. R. Baskaran**

Director

IPMS/CIR/2024

Date : 16.09.2024

## **CIRCULAR**

The **International Center for Young Scientists (ICYS)** of the National Institute for Materials Science (NIMS) invites applications for **ICYS Research Fellow positions**. It is a great opportunity to conduct independent and self-directed research in various areas of materials science with full access to NIMS advanced research facilities.

Annual salary : 6 million yen - (highest rank in Japan)

Contract term\*: 3 years. (renewable with annual evaluation).

\* Renewal of the contract will be determined based on work performance, work attitude, progress of the work engaged in, workload at the end of the contract period, budget situation, and other factors. The maximum employment period shall not exceed five (5) years. This may be subject to change because of amendments to the Working Regulations.

\*If the applicant is already in NIMS as a non-permanent researcher (Post doc et al.), the maximum contract period depends on work experience at NIMS.

All applicants must have obtained a PhD degree within the last 10 years.

The last date for submitting the application is September 25, 2024 (JST)

For more information, please visit the NIMS Website.
