Immersion Global Program @ ECU, Australia

Focus on AI, ML & Cybersecurity

Edith Cowan University (ECU) provides the ideal learning environment for people who want to graduate world ready. Located in Western Australia, our industry-relevant teaching and research, supportive study environment and award-winning facilities enable ECU students to do more than just survive in this world – they thrive in it. Established in 1991, ECU took the opportunity to reshape the way higher education is delivered in a distinctive and inspiring campus environment.

ECU courses are developed in consultation with industry, and teaching staff have extensive industry experience and networks. This approach has been rewarded with five-star ratings for undergraduate teaching quality over the past 17 years, along with consistently high ratings for overall education experience, skills development, student support and learning resources, as reported in the Good Universities Guide. ECU focuses on working with our communities, business and government organizations to solve real-world problems.

ECU offers innovative and practical courses across a variety of disciplines and we have a vibrant research culture. ECU is a leader in developing alternative entry pathways to higher education. It has three campuses in Western Australia. Joondalup and Mount Lawley in the Perth metropolitan area and our South West campus in Bunbury. ECU has more than 30,000 undergraduate and postgraduate students, including international students from 100 countries. Their eight schools collectively deliver a diverse range of courses across arts and humanities, business and law, education, engineering, medical and health sciences, nursing and midwifery, science and the Western Australian Academy of Performing Arts.

ECU has a vibrant research community, actively supporting our student and staff researchers. We continually seek opportunities to collaborate with other universities and to work with organisations and businesses to commercialise research outcomes.

A great student experience

As an ECU undergraduate, you can expect the best overall student experience of any of the 38 public universities in Australia. More about QILT.

The highest quality teaching

ECU is one of the best unis in Australia for teaching. We've had 17 straight years of 5-star ratings in the Good Universities Guide to prove it!

One of the world's young guns

We're ranked one of the world's best universities under 50 years old, and we've already established a global reputation for such a young institution.
