Immerse yourself in a World-Class learning experience @ JCU Singapore

The Singapore campus of James Cook University is fully owned by James Cook University Australia, which is ranked in the top 300 of universities in the world

James Cook University Australia established its Singapore campus in 2003 as part of its expressed intent of internationalising its activities and offers a suite of university level programs at the Singapore campus covering the areas of Business, Information Technology, Psychology, Education, Science, Commerce, Accounting, Aquaculture, Environmental Science, Games Design, Tourism and Hospitality.

EduTrust Star

James Cook University has the highest level of quality assurance in Singapore for Private Education Institutions. This is known as EduTrust Star and is a symbol of recognition for outstanding achievement for attaining a commendable level of performance in managing their institutions and providing an outstanding quality of education and welfare for their students.

Knowledge Share

James Cook University was established to conduct teaching and research on areas of importance to the tropics. Our focus is on producing graduates who have the expertise to make a difference in their profession and their communities. We are also committed to providing the professional workforce for under-served communities and providing access and opportunity to those people who may not have previously been able to access higher education.

Campus Culture

JCU's focus is on Creating a brighter future for life in the tropics world-wide through graduates and discoveries that make a difference which is reflected through our student focus culture.

Singapore

your passion to
experience & learn
made possible

A World of possibilities

Whether you're hiking through verdant greenery, ascending to new heights or discovering new urban subcultures on its busy streets, Singapore is the perfect destination to delight in novelty and excitement. Enchantment awaits around every corner of the Lion City—Romp with the dinosaurs at Changi Jurassic Mile, relive your childhood at the Museum of Ice Cream or soar on adrenaline at Skypark Sentosa.

A sanctuary for sustainability

Singapore has always been a city in nature, with lush natural landscapes, beautiful gardens and tranquil oases of greenery dotting the urban landscape. As it strides towards the future, the city is poised to reimagine sustainability.

A treasure-trove to explore

Singapore's amazing tale tells of a once sleepy fishing village that defied the odds to transform itself into a first-world metropolis

Experience Singapore's diverse heritage, displayed in the wide array of cultures, races and religions.

Colonial buildings and heritage shophouses juxtapose with cutting-edge skyscrapers to showcase Singapore's mix of old and new.

Whether it's riding a roller coaster or skydiving indoors, there's no shortage of fun activities to experience in Singapore.

Singapore awaits you
