## CIRCULAR

Nagoya Institute of Technology, Japan with whom Anna University have Memorandum of Understanding (MoU) has invited applications a two years Master program called “**International Graduate Program for Global Engineers 2024**” for international students who are interested in finding employment in Japanese manufacturing companies after completing the program. During the 2 years’ program, the students are required to participate in the special program designed to develop highly-skilled engineers, in order to obtain proper skills and knowledge to work in the Japanese manufacturing industry in future.

Students with excellent academic records are entitled to apply for the Japanese Government Scholarship (MEXT Scholarship), which provide 144,000 JPY per month as allowance, and are exempt from paying application fee, the admission fee, and tuition.

The application for this program for the enrollment in October 2024 is now open. Last date of the application is 12.01.2024.

For further details and application procedure, please refer to the following website.
