The Embassy of Sweden is hosting **Study in Sweden Fair in Chennai on 21st November 2023**. Sweden attracts thousands of international students each year and welcoming destination for students to study at esteemed academic institutions and discover a new culture. Sweden has a rich and proud history of academic excellence. Despite its comparatively small population, Sweden is home to a number of the best universities in the world.

The entire Swedish higher education system ranks second in the world and first in relation to GDP. Most Swedish universities are ranked among the best education providers in the world by Times Higher Education and the Academic Ranking of World Universities.

In addition, the Swedish government offers scholarships and financial grants to some international students to complete their higher education in Sweden. After graduation, international students can stay an additional six months to look for a job in Sweden subsequently they apply for a work permit.

The Embassy of Sweden in India, in collaboration with the Nordic Centre in India, is pleased to open registration for the **Study in Sweden Fair** on 21st November 2023, in Chennai from 06:00 PM to 08:00 PM

It is a great opportunity for students to learn more about the many degree programs available, and what it is like to live and learn the Swedish way.

During the fairs students will have the opportunity to meet the following institutions:

- KTH Royal Institute of Technology
- Uppsala University
- Lund University
- Luleå University of Technology
- Jönköping University and ten other prominent Swedish universities.
