About the Workshop

Intellectual Property plays a key role in gaining modest advantage in terms of technological gains for achieving higher economic growth in a market driven economy. To promote the awareness of Intellectual Property Rights (IPR) and to encourage innovation and creative activities across various disciplines, Center for Intellectual Property Rights (CIPR), Anna University, Chennai is planning to organize One day Workshop on "Intellectual Property Rights 2016" on 26th April 2016 on the occasion of World Intellectual Property Day (26th April 2016), for the second year in a row inline with World Intellectual Property organization (WIPO) theme of "Digital Creativity: Culture Reimagined".

About Anna University

Anna University was established in 1978 as a unitary type of University. It offers higher education in Engineering, Technology and Allied Sciences relevant to the current and projected needs of the society. Besides promoting research and disseminating knowledge gained therefrom, it fosters cooperation between the academic and industrial communities. Recently, Anna University has been accredited by NAAC with 'A' Grade.

About Centre for Intellectual Property Rights (CIPR)

The Centre for Intellectual Property Rights (CIPR), Anna University, Chennai was established in the year 2005 to create awareness and offer assistance to academicians, researchers, entrepreneurs and innovators to identify, protect and manage IPR effectively. Heretofore, the CIPR has filed more than 150 patents, 30 Trademarks and 40 copyrights and 35 Design Patents. The CIPR involved jointly with Tamil Nadu Technology Development and Promotion Centre (TNTDPC) of Confederation of Indian Industries (CII) in conducting many certificates courses on Intellectual Property Rights.

Services of CIPR at Anna University, Chennai

1. Filing of Patents

CIPR has expertise and experienced professionals to do patent searches (free and paid database), patent specification drafting, patent filings and related works.

2. Design Patents

CIPR carries out search and filing services of design patents for shape, configuration, pattern, composition of lines, colours applied to any products.

3. Trademarks

CIPR carries out trademark search and filing trademark applications for logo, symbol, design,

image, sound, colour, slogan, smell, word, phrase or combination of these elements.

4. Copyrights

CIPR assists in copyright filing related to the original work of literary (books, lab manuals, etc), artistic (painting, sculptures, photographs, etc), dramatic, musical work, cinematographic films, sound recording, software programme, etc.

5. Awareness Programme

The CIPR regularly conducts several awareness program to educate the importance of IPR for faculties, students, research scholars, R&D institution, SMEs, large establishments, etc. including training programs in the IP field.

The topics to be covered in the workshop are

1. Overview on IPR
