## ABOUT THE UNIVERSITY

Anna University was established on 4th September, 1978 as a unitary type of University. This University was named after Late Dr.C.N.Annadurai, former Chief Minister of Tamil Nadu. It offers higher education in Engineering, Technology, Architecture and Applied Sciences relevant to the current and projected needs of the society. Besides promoting research and disseminating knowledge gained therefrom, it fosters cooperation between the academic and industrial communities.

The University was formed by bringing together and integrating four well known technical institutions in the city of Madras (now Chennai) namely,

- College of Engineering (CEG) (Established in 1794)
- Alagappa College of Technology (ACT) (Established in 1944)
- Madras Institute of Technology (MIT) (Established in 1949)
- School of Architecture & Planning (SAP) (Established in 1957)

## ABOUT THE DEPARTMENT

The Department of Computer Science and Engineering aligns its goals towards providing quality education and improving competence among students thereby living up to its motto, 'Progress Through Knowledge'. Expert engineers produced by the department stand testimony to it. College of Engineering, Guindy has always asserted to take education beyond the four walls so that students understand the reality of the technical world.

The Department imparts world class training and platform for research to the students. The department provides state-of-the-art computing facilities to the students enabling them to stay a step ahead. They are exposed to various opportunities such as inplant training, internships, and workshops during their course of study.
