The University was formed by bringing together and integrating four University Chennai campuses. In addition Anna University also consists of 4 Regional Campuses located at Coimbatore, Madurai, Tiruchirapalli, and Tirunelvei, 13 University Colleges of Engineering spread across Tamil Nadu, 9 Government College of Engineering and 480+ autonomous & affiliated Engineering colleges for extending academic activities in Engineering and Technology sector.

PROGRAMME OBJECTIVE

The objective of the workshop is to upskill the faculty members of educational institutions on Artificial Intelligence, its applications and enable them to conduct these sessions for their students. They will also take up relevant certification to accredit their learning. This will benefit our faculty and student community by making them industry ready.

PARTNERSHIP:
ANNA UNIVERSITY & INFOSYS SPRINGBOARD

To implement recent education challenges Anna University desires to integrate state-of-the-art skill development subjects into their engineering curriculum in collaboration with Infosys Springboard. It becomes important for the faculty of all institutions affiliated to Anna University to get enabled on the latest digital technologies and train the students successfully on the industry skills.
In this context, Anna University and Infosys Springboard have entered into a Memorandum of Understanding (MoU) to use Infosys Springboard to access their rich repository of 12,000+ courses, training initiatives for developing the digital skills of the faculty and students of Anna University.
