**Anna University Tiruchirappalli**

University College of Engineering (UCE), BIT Campus, Anna University, Tiruchirappalli has been established in 1999 and now functioning as a constituent college of Anna University, Chennai. UCEBIT Campus, Anna University has become sufficiently multifaceted with 7 Faculties with 16 Teaching Departments including some specialized programmes. Our institute has NBA Accreditation and offers 10 B.E/B.Tech. Undergraduate degree programmes, 8 M.E/ M.Tech Masters degree programmes along with MBA, MCA and Ph.D. programmes in all discipline with 4628 students in the campus. We are the TEQIP II sponsored institution with UGC 2f & 12B status. The unique dimension of the institute's educational profile harnesses the research and teaching interests of the faculty to forge its own character and to bring an extra value-addition to it. The departments of our institute are carrying out specialized and socially responsive interdisciplinary research. Our institute has 2 Centres funded by DST and AICTE. UCE, BIT Campus received research and consultancy from various funding agencies of India for a total value of 300 Million Rupees. The main objective of the institute is to generate a horde of highly creative professionals, who can contribute not only to the Human Resource Development and also to Nation building exercise.

**ABOUT THE DEPARTMENT**

The Department of Petrochemical Technology, University College of Engineering (UCE), BIT Campus, Tiruchirappalli, was founded in 1999 with the objective of providing exceptional technical education. Our mission is to nurture young talent into dynamic engineers, equipping them with practical skills to confidently tackle the complexities of the technical world. The Department has received accreditation from the National Board of Accreditation (NBA) for the period 2018-2022.

The Department offers B.Tech in Petrochemical Technology, M.Tech in Chemical Engineering, and M.S. and Ph.D programmes in related areas, providing students with comprehensive knowledge and expertise in Petrochemical Technology and Chemical Engineering.

CATEGORY	FEE PER AUTHOR
UG students	750
PG students & research scholar	750
Academicians	1000
Industrial persons	1250

**ABOUT THE CONFERENCE**

The National Conference on "Recent Advances in Chemical, Energy and Environmental Engineering" (RACEE-2025) aims to bring together leading academic scientists, industrial persons, Researchers and budding students to exchange and share their experiences and research results about all aspects of Chemical, Energy and Environmental Engineering.

**PUBLICATIONS**

All the presented papers will be published in the conference proceedings with ISBN.

**IMPORTANT DATES/DEADLINES**

Paper Submission :20.02.2025  
Notification of Acceptance :25.02.2025  
Registration :28.02.2025

**SUBMISSION**

Authors are invited to submit their research findings for oral / poster presentations in the conference.
