

**DBT-Sponsored National Level
“Workshop On Chemoinformatics for
Drug Discovery”**

(WCDD-2023)

15th – 18th March 2023

Organized By

**Centre for Biotechnology,
Anna University,
Chennai-25.**

About Centre for Biotechnology

Established in 1984, the Centre for Biotechnology, Anna University is a forerunner in Biotechnology education and research. The centre strives in imparting quality education and research in advanced and emerging areas of Industrial, pharmaceutical, food, Medical and computational applications of Biotechnology.

About the Training Program

Chemoinformatics is an emerging field for Drug discovery. Utilizing computational analysis to process information regarding chemical and molecular structures, Chemoinformatics has the potential to significantly improve drug discovery and development processes. This workshop aims to train participants on chemoinformatics applications and their influence on contemporary drug discovery processes. The workshop will comprise lectures, demos, and hands-on sessions.

Target Participants

Faculty members from colleges who are interested in bioinformatics, drug discovery, biopharmaceuticals, industry professionals, potential entrepreneurs willing to start a new venture in computer aided drug discovery can apply. Postdoctoral fellows and research scholars will be chosen based on the number of open seats available.

Registration Fee

The Registration Fee includes Course Materials and Working Lunch.

For Academic - Rs. 750/- (including 18% GST)

For Industry / Entrepreneurs - Rs. 1200/- (including 18% GST)

** Participants selected for the workshop will receive an email with NEFT / demand draft details, through which the registration fee will be received.

** Participants are requested to make their own arrangements for Accommodation.

** A participation certificate will be given to the registered participants **who attend all the sessions** of the Workshop.

How to Apply?

For registration please follow the Google link given here: shorturl.at/fiQ07

Or

Scan the QR code to register in **WCDD-2023**.

Please send the filled-in registration form through email to:

aubic2022@gmail.com

on or before 8th March 2023 (5.00 PM) for early confirmation.

Registration is limited to 30.

The details of the training program can also be downloaded from the website <https://www.annauniv.edu>

Coordinator

Dr. B.S.Lakshmi – BIC Coordinator,
Centre for Biotechnology, Anna University,
Chennai-25.

Organizing Committee

Dr. T. Kothai
Dr. Pradeep Natarajan

**DBT-Sponsored National Level
“Workshop on Chemoinformatics for
Drug Discovery”**

(WCDD -2023)

15th – 18th March 2023

REGISTRATION FORM

1. Name :
2. Designation :
3. Institute/Organization :
4. Address for communication:
5. E-mail :
6. Mobile No. :
7. Research Area of interest (Limit 5 lines):
8. Are you Familiar with a) Windows b) Linux c) Both
9. List your programming and software skills:
10. How will the workshop be useful for you :

Date: _____ Signature

Venue

Centre for Biotechnology, ACTech Campus, Anna University, Chennai-25.
