CIRCULAR

Yokohama National University, Japan with Anna University have Memorandum of Understanding (MoU) is offering applications for the Japanese Government (MEXT) Scholarship 2025 who wish to enroll in their Graduate school in October 2025.

The selection will be conducted by document screening. Selected students for MEXT scholarship are exempt from the entrance and tuition fees, and are provided with airline ticket for the international flight (to and from Japan) as well as monthly scholarships, according to the course of study, from the MEXT. To enroll in the Master's course or Doctoral course as a degree-seeking regular student, the candidate must take and pass the entrance examination conducted in each graduate school separately after the results of the screening from MEXT.

The students who are graduated and who are going to graduate by September 2024 and September 2025 are eligible to apply for this program. The last date for submission of applications is **07th January 2025**.

The application guidelines and other necessary documents can be downloaded from the website below.

https://global.ynu.ac.jp/en/admissions/mext_research-university/

Interested students can send their applications directly to the Web-portal of Yokohama National University, Japan.
