ANNA UNIVERSITY SPORTS BOARD
ANNA UNIVERSITY, CHENNAI - 600025

Annual Report 2021 - 2022

Annual Sports Award Function - 2021-22
26th August, 2022

Message from the Hon'ble Vice-Chancellor

Greetings to All!

Sport is a preserver of physical and mental health. I extend my congratulations to the office bearers of Anna University Sports Board for upholding the true spirit of sports despite the challenges posed by the prevailing pandemic. AUSB has been instrumental in organizing and conducting the inter-zonal selection trials across the state of Tamil Nadu that has helped us identify the best talents and guide them towards greater achievements. Through this endeavor, we have been able to select and send players to national and international tournaments and win accolades.

I am pleased to note that Anna University stands in the 13th position in the Khelo India Games 2022. My warm wishes to the 554 players receiving their Form III certificates for their participation and achievements in over 60 games at the national level. It is especially encouraging to see that there is a rise in the participation and achievements of women players. The University has always focused on such parity on the playground.

Congratulations and best wishes to all the players, coaches and officials being felicitated in the Annual Sports Awards 2022.

Dr. R. Velraj
Vice- Chancellor, Anna University

Foreword by the Registrar

Warm Greetings!

Participation in sports and games is an essential part of students' development of physical fitness and mental health. It helps in the overall personality development and contributes to the growth of the country. I am happy to share that many of the players from Anna University continue to shine in the national and international tournaments.

Our students have won laurels in the Khelo India Games and other national sporting events. They have brought home medals in various categories for aquatics, karate, taekwondo, wushu, roller sports, chess, weightlifting, powerlifting, sepak takraw, tennis, soft tennis and ball badminton. This shows a healthy trend among men and women players of the various colleges and their interest in cultivating a sporting culture in their respective campuses.

I congratulate all the players and their institutions on their achievements and encourage them to further invest efforts to keep the sporting spirit alive and inspiring.

Dr. G. Ravikumar
Registrar i/c, Anna University

Chairman's Message

Greetings!

It is with great pride and pleasure that we at the Anna University Sports Board present this report on the Inter-zonal selection trials with the record of all the sporting achievements throughout this academic year. In spite of the challenges presented during the global pandemic, the players have kept their game intact and have proved to us once again that humanity prevails beyond obstacles. This gives us hope and motivation to look forward to the future.

The inter-zonal selection trials were conducted with the pandemic protocol in place and the hosting institutions have played a phenomenal role in the smooth conduct of the trials. As a result, our players have made us significantly visible in the national tournaments including the Khelo India Games with their tremendous performances and accolades earned. I am especially delighted to note the achievements of our homegrown champions and would like to wish all our players a bright and prosperous career in sports.

All for sports, sports for all.

Dr.S.Swamynathan
Chairman, Anna University Sports Board

AUSB SPORTSCAPE - 2021-2022

INTER - ZONAL SELECTION TRIALS

Due to the continuous COVID -19 pandemic lock down and also the students were away from the campus and playgrounds, the feasibility for conducting regular Zonal and Inter-Zonal tournaments was not viable due to government COVID restrictions. Hence, Anna University Sports Board and other Physical Directors of various zones unanimously decided to conduct Inter-Zone Selection Trials for all the sports disciplines so as to encourage the students' sportspersons to participate in All India and other national tournaments.

Teams from affiliated colleges participated in 52 sports during the year 2021-2022 (Both Men and Women). Inter-zone selection trials were conducted in all 19 zones keeping the schedule of the Inter-University into consideration. The winning teams / individuals alone from 19 zones represented Anna University in All - India / South-Zone tournaments organized by various Universities and Institutes in India. The selection committee for the selection trials includes officials from AUSB, Physical Education, SDAT, SAI and other Sports Associations.

Coaching camp prior to Inter-University tournaments in all sports disciplines were organized for those who represented Anna University in various tournaments for the year 2021-2022. The performance of the teams and individuals who participated in the All India Inter- University / South- Zone / Khelo India Games was outstanding when compared to pre- pandemic years.

AUSB TEAM, CHENNAI
